Dear Former Exhibitor or Attendee to Be Electrific Day

I wish you a Happy New Year,

We have not had a Be Electrific Day function in the past few years but the dry spell is over.

On Sunday February 11<sup>th</sup> 2018 I am hosting Be Electrific Day Mini-Health and Wellness Fair at CoWorker Hub 900 Straits Turnpike suite 250 (in the back). Please see flyer and register for a table. Also send this to others you know who would be interested in exhibiting.

Be Electrific Day is being promoted by P.R. Professional Barbara Branagan of Branagan Communications. We would like to help spread the word about your business. So come on down!!

If we haven't met personally I will introduce myself to you now.

I work with people who want to understand more about Body Language inside and out and with small business owners who want to be happy about their health and LifeStyle.

As an award winning Speaker - Body Language Expert, Certified Nutritionist, Speech Pathologist, Applied Kinesiologist, Alternative Practitioner (for 25 years) and former teacher of Safety, Health and Nutrition at Naugatuck Valley Community College, I use this background, education and experience to help through coaching and workshops and Professional Speaking.

Check out my new Website [www.carolynfinch.com](http://www.carolynfinch.com) and email flyers to others please. I look forward to seeing you again,

Be Electrific!
